

Code is just a mode, like PSK-31 or RTTY. It should not be a firewall that stops bright young people from engaging in a technical hobby or serving the public via amateur radio. Drop the code requirement, element 1.

If any change is made in the structure or difficulty to the General or Extra exams then it should apply to anyone that renews their license. Retesting at renewal time will maintain technical skills.

Yes, I passed my code test.

Randy Moore
